After lunch, we are going to see the renowned Niagara Falls. Overlooking American Fall, the Horseshoe Fall and the Bridal Veil Fall, you will be astounded by the deafening roar of the falls. It's the combination of height and volume that makes Niagara Falls so beautiful. More than 6 million cubic ft. (168,000 cubic meters) of water goes over the crest line of the falls every minute during peak daytime tourist hours. Take the voyage on the famous "Maid of the Mist" which gets passengers as close as possible to the Niagara Falls! Old Fort Niagara is a rich historic landmark; it spans more than 300 years. Its commanding presence on the great lake caused it to play a critical role in the French and Indian War, the American Revolution and the War of 1812. The gorgeous Lake Ontario lies behind the Fort (You may stay in the Falls Park for self-exploration if you are not joining the In-Depth tour). [\(The completeness of night view on certain summer evenings may be limited or not available due to late sunset time and US Federal Government regulations on driving hours.\)](#) Later we will go to the hotel when night falls.
