### Day 2 Houston

Enjoy your breakfast before we start the tour! We will go for the **Houston Museum of Natural Science**. The museum complex consists of a central facility with four floors of natural science halls and exhibits, the Burke Baker Planetarium, the Cockrell Butterfly Center, and the Wortham

Giant Screen Theatre. We can't miss The Morian Hall of Paleontology, which is packed with prehistoric beasts, and does not have the same stagnant displays of ancient skeletons standing in a row that many visitors are accustomed to seeing. Also, we will visit the **Rice University**, a private research university established in 1912. Rice is generally considered the top university and the most selective institute of higher education in the state of Texas. We will have a chance to see the "Willy's statue," the memorial to university founder William Marsh Rice, as well as James Turrell's "Twilight Epiphany" Skyspace. Furthermore, we will stop by **Toyota Center**, an indoor arena famous of the Houston Rockets, and **Hermann Park**. Afternoon we will go to **Outlets** for shopping.

**Hotel: Crowne Plaza Near Sugar Land or equivalent**

### **Day 3 Houston in-depth tour**

Enjoy your breakfast before we start the tour! We will make our first stop to **Battleship Texas**, took part in some of the most significant naval battles of the 20th century during both world wars. Now docked along the Houston Ship Channel, she serves as a memorial to those turbulent times. Then go for **San Jacinto Monument**, the world's tallest masonry column. It commemorates the decisive battle of the Texas Revolution. Led by General Sam Houston, the Texan Army engaged and defeated General Antonio López de Santa Anna's Mexican army in a fight that lasted just 18 minutes. The monument is 567 feet tall and 17 feet higher than Washington Monument in DC, topped with a Lone Star – the symbol of Texas. The most important part of the day is **NASA Space Center**. We will go to the Space Center for Tram tour to Rocket Park, see the control center, astronaut training center, space shuttle. The center features more than 400 space artifacts, permanent and traveling exhibits, attractions and theaters related to the exciting future and remarkable past of America's human space-flight program. Uncover the mysteries of outer space on an exhilarating visit to the Space Center Houston, the official visitor center for NASA's Johnson Space Center. During your self-guided tour of one of Houston's top attractions, ride a tram on an orientation tour of the Space Center; see enthralling exhibitions of full-size rockets and rock samples; and marvel at the real Apollo 17 space shuttle, which returned from the moon in 1972. **Dolphin Cruise** in Gulf of Mexico, we bring you up close to view the dolphins in their natural habitat, see birds and marine life. We are usually able to get a close up view of playful dolphins jumping. After tour ends, you can choose your flight departs from IAH, HOU airport after 20:00.
