We will go for the **Houston Museum of Natural Science**. The museum complex consists of a central facility with four floors of natural science halls and exhibits, the Burke Baker Planetarium, the Cockrell Butterfly Center, and the Wortham Giant Screen Theatre. We can't miss The Morian Hall of Paleontology, which is packed with prehistoric beasts, and does not have the same stagnant displays of ancient skeletons standing in a row that many visitors are accustomed to seeing. Also, we will visit the **Rice University**, a private research university established in 1912. Rice is generally considered the top university and the most selective institute of higher education in the state of Texas. We will have a chance to see the "Willy's statue," the memorial to university founder William Marsh Rice, as well as James Turrell's "Twilight Epiphany" Skyspace. Furthermore, we will stop by **Toyota Center**, an indoor arena famous of the Houston Rockets, and **Hermann Park**. In the afternoon we will go to **Outlets** for shopping.
