Itinerary

Day 1: Home – Seattle (Optional Morning Tour / Night Tour)

We will offer free airport pick-up service during 9:00AM-10:00PM. **Please wait for our tour guide at number 1 Baggage Claim area**, and then guests will be taken to the hotel to catch a rest. Guests are able to arrange the rest of day by their own, or join our optional Morning Tour or Night Tour. (*To arrange the tour, it requires at least 4 guests enrolled.)

(Morning tour: Flight arrivals before 12:00PM) Microsoft Corporate Headquarters – University of Washington

Founded in 1975, Microsoft is the worldwide leader in software, services, devices and solutions that help people and businesses realize their full potential. Guests will have a chance to visit the famous Building 92(Microsoft Corporate Headquarters) to learn Microsoft's fascinating history and everything about one of the world's largest and most influential company. (Inside tour; tours are subject to closures for private events.) Also, we will go to University of Washington, commonly referred to as UW, a public flagship research university based in Seattle. Founded in 1861, UW is one of the oldest universities on the west coast and features one of the most highly regarded medical schools in the world. A new model for

learning, collaborating and problem solving - the Global Innovation Exchange (GIX) has been launched here between two leading research universities, the University of Washington and Tsinghua University, with foundational support from Microsoft. It should also be reminded that the campus is famous for appreciating Cherry blossom.

(Night tour: Flight arrivals before 6:00PM) Seattle Fisherman Wharf – Kerry Park

We will firstly travel to Seattle Great Wheel, which is a giant Ferris wheel at Pier 57 on Elliott Bay in Seattle, Washington. With an overall height of 175 feet, it was the tallest Ferris wheel on the West Coast of the United States when it opened on June 29, 2012. Next stop is Kerry Park where visitors can have a panoramic city view of the entire Seattle. It is a perfect location for photography and if you see Space Needle with a backdrop of Mount Rainier in any marketing photos of Seattle, this is exactly where to take the pictures. In addition, the park was one of the many stops on the finale episode of the third season of Amazing Race.

To reserve the seats of Morning or/and Night Tour:

1. Guests can pay the Morning or/and Night tour fee in advance, thus we will guarantee and save the seats for the guests.
2. If guest intends to join the tour but is not willing to pre-pay the tour fee, we will arrange the seats according to the availability of the arrival date. First come, first serve.
3. To arrange the Morning Tour or/and Night Tour, it requires at least 4 guests enrolled. If less than 4 passengers on the departure day, we will cancel the tour and issue a full refund to the guest.

Day 2: Seattle – Portland -- Roseburg

In the morning, we will go to the city of roses – Portland. As a city which is famous of rose gardening, visiting its rose garden is absolutely essential. First stop is International **Rose Test Garden**; there are more than 8000 kinds of Roses in this garden. After this, we'll go to **Pioneer Courthouse Square**, also known as Portland's living room, is a public space occupying a full 40,000-square-foot city block in the center of downtown Portland. We will also see the **Steel Bridge, Hawthorne Bridge**. At the end of the day, we'll go to hotel in Roseburg, Oregon.

Hotel: Days Inn / Quality Inn or equivalent

Day 3: Crater Lake National Park (Substitution: Lake Shasta Caverns) – Sundial Glass Bridge

The first attraction of today will be the Crater Lake National Park. The lake in the park was formed after the collapse of Mount Mazama - an ancient volcano that erupted approximately 7,700 years ago, the length of lake is 6 miles and width is 4 miles with a depth of 1932 feet. **(If the Crater Lake National Park closes due to heavy snows, we will visit Lake Shasta Caverns instead.)** The Lake Shasta Caverns at the northern tip of California are made entirely of limestone and boast every type of cavern rock formation available, including stalactites, stalagmites, and soda straws. Guests will have the chance to experience a fantastic and amazing underworld. On the way to the Santa Rosa, we will pass by the landmark of North California--Sundial Glass Bridge. The deck of bridge is made up of 200 tons of glass and granite and is supported by more than 4,300 feet of cable that could make the guests feel like walking in the air. Overnight we'll stay in San Francisco.
